Livestock Exhibitor Registration

2025 Form

Welcome! Here is a Tutorial to walk you through ShoWorks! Please let us know if you have any questions!

## Welcome to the Warren County Fair Online Livestock Registration Portal.

Registration for Market Livestock and Breeding Livestock is open **through June 6, 2025, at 5:00 PM.**

**Important:** Information submitted for Market Livestock entries will be used to prepare the sale bill. Please double-check spelling, capitalization, and punctuation for accuracy.

**Camping registration** will be included as part of the Livestock Registration process. After registration closes on **June 6th**, families who sign up and pay for camping will be contacted with additional information and details.

Each **Livestock Exhibitor is required to purchase a \$50 season pass**, which will be included in your final payment during registration.

For 2025, **Warren County Fair Livestock and 4-H Extension are partnering to use ShoWorks** for registration. The process will take place in **two parts**:

1. **Part 1: Livestock Registration** – closes June 6 at 5:00 PM.
2. **Part 2: Exhibit Hall Project Registration** – After livestock registration ends, you will need to log back in to enter your Exhibit Hall projects. For now, keep a list of the projects you plan to exhibit, including detailed descriptions. More information will be shared soon!

Only exhibitor and entry details will be saved for the 2025 Warren County Fair Market and Breeding Livestock shows.

For your security, **credit and debit card information is not stored** on this website or by ShoWorks/Gladstone Inc.
